

Probably, this text is unique in its genre, in the field of astrology anywhere in the world. In fact, for the first time a book is published concerning exclusively the usage of Lunar Returns and Earth Returns in support of Aimed Solar Returns and of Active Astrology. Having published at least a dozen books on Solar Returns and Lunar Returns, and having studied over twenty thousand 'aimed birthdays' in a practice of almost forty years, the Author is considered the foremost of experts in this specific field. For the first time, he takes a position concerning the question 'Astrology as a phenomenon of synchronicity' or 'Astrology as a causality fact'. Hence he develops a possible general theory of his own on the functioning of Solar Returns, Lunar Returns and Earth Returns. The reader not only will find a comprehensive theory in support of the declared theses, but above all many practical examples of daily usage of Lunar Returns and Earth Returns. As for Earth Returns, original tables allow you to try the described methods despite the lack of specific software programs. Furthermore the Author proposes new paths of research concerning the practice of aimed Lunar and Solar Returns. An absolutely essential book for those who love Predictive Astrology, Active Astrology and the wonderful world of Solar, Lunar and Earth Returns (the latter being presented for the first time in its applicative possibilities).
