

SURVIVING HELL HOUSE - The Trilogy: RELENTLESS, BIT, and CLEAR

This trilogy consists of RELENTLESS, BIT, and CLEAR. All three are available separately with different art and additional writings, but they are together here for the first time in this single cost-effective volume. Taken together, these narratives form the story of a man who endured extreme abuse while growing up in sunny Southern California. He was a suicidal boy who became a very grateful man. These books are written with honesty, humor, and aplomb, and they contain perspectives and insights that are mind blowing to say the least. They evolve to tackle some of the most inventive metaphysics you will ever encounter, and to address some very important crossroads the this author believes we all now face together in this ever-changing world. We are left with imperatives that cannot be ignored, and with a path that might just be the only one now for us all. FB: G. J. Cobb, Artist, Poet, Author
