

# Path to the Light: A Spiritual Journey with Ascended Master Godfre Ray King

This book contains 39 meaningful spiritual lessons by Ascended Master Godfre Ray King. He is best known to us as the messenger for the teachings of Master Saint Germain when he was last embodied as Guy Ballard. Now an Ascended Master himself, Godfre writes for those of us just beginning the spiritual path and searching for answers. He asks us to read his words with an open mind and heart and feel the truth within them. Through these words, he welcomes us to the Path to the Light. These lessons were channeled by Dianna Gutoski. Other communications can be found on [www.cosmicconversations.com](http://www.cosmicconversations.com).
