

## Project Managers as Senior Executives Volume 2

Project Managers as Senior Executives maps out a model for advancement for program and project managers and contributes new thinking on the emerging leadership of project managers as senior executives. The research is published in two volumes. Volume 1 Research Results, Advancement Model, and Action Proposals presents the results and proposals from the study and Volume 2 How the Research Was Conducted: Methodology, Detailed Findings, and Analyses contains the research-oriented materials from the study.
