

# So You Want To Be A Nurse? Fells Official Know-It-All Guide

So You Want to Be a Nurse? is a book that will educate nurses and aspiring nurses alike on how to excel in the healthcare system. It reveals everything that no one wants to tell you about the nursing profession. It tells how to avoid the agony on the job trial and error training and gives you a head start in using experienced strategies in order to succeed. Readers will learn how to find the best nursing position for their personality and ability, and how to deal with administrators, physicians, colleagues, patients, and their families. It also tells you how to survive in a hospital once you get a nursing position. The ten commandments of nursing include don't put your own beliefs ahead of the patients and choose your work friends cautiously, and offers tips on fundamental issues that nurses face today.
