

In religion, a prophet (or prophetess) is a person who has directly encountered the numinous or the divine and serves as an intermediary with humanity. Prophets existed in many ancient cultures, including each Abrahamic religion, the Sybilline and Delphic Oracles in Ancient Greece, the Voluspa in Old Norse, Zoroaster in Persia, and many others. Traditionally, both prophets and false prophets are regarded as having a founding or galvanizing role in society due to their teachings and actions. The label prophet can be extremely subjective: Without exception, someone who is considered a true prophet by some people, is simultaneously considered a false prophet by some others. (Quote from wikipedia.org) About the Author Emanuel Swedenborg (1688 - 1772) Emanuel Swedenborg (born Emanuel Swedberg) was a Swedish scientist, philosopher, Christian mystic, and theologian. Swedenborg had a prolific career as an inventor and scientist. At the age of fifty-six he entered into a spiritual phase, in which he experienced dreams and visions. This culminated in a spiritual awakening, where he claimed he was appointed by the Lord to write a heavenly doctrine to reform Christianity. He claimed that the Lord had opened his eyes, so that from then on he could freely visit heaven and hell, and talk with angels, demons, and other spirits. For the remaining 28 years of his life, he wrote and published 18 theological works, of which the best known was Heaven and Hell (1758), and several unpublished theological works. Swedenborg explicitly rejected the common explanation of the Trinity as a Trinity of Persons, which he said was not taught in the early Christian Church. Instead he explained in his theological writings how the Divine Trinity exists in One Person, in One God, the Lord Jesus C
