

## Sasha Fentons Moon Signs

The position of the Moon in our birth chart affects our deepest requirements, our innermost needs. It governs our attitudes to food, our unconscious motivations, our habits and of course, our relationships. Complete with an easy-to-use ephemeris to find your own moon sign, lunar transits and progressions, this book will help you to reveal the hidden power of your emotions. The book is thorough, yet easily accessible to the beginner in astrology. Originally published very successfully worldwide as Moon Signs, this fully revised, updated and modernised edition adds fresh material and several completely new chapters. Sasha Fenton is an internationally renowned authority in astrological publishing with scores of other MB&S titles to her name. This book established her credentials as a respected name in the genre.
