

Are you experiencing the reality of the effulgence of Gods glory in every sphere of your life? Have you ever considered tapping into higher realms, greater depths, deeper territories and immeasurable dimensions of Gods glory? This book is the most relevant spiritual diet for you as God is calling men and women to step out of the convictions of ordinary life of mediocrity into a realm of overflowing glory. We are living in the most momentous days of unimaginable glory as biblically foretold that the glory of the latter house shall by far exceeds the glory of the former. Presiding over a global network of apostolic and prophetic visions, in the capacity of the President of the Global Church, Apostle Frequency Revelator unpacks a fresh but provocative revelation that man was created for Gods glory hence the supreme calling of every Christian is to continuously exude the glory. The glory is your divine birth right and an irrevocable inheritance of every believer. According to Gods original master plan and purpose concerning humanity, walking in the glory of God is a primary agenda and central theme in Gods end time purpose. Man is an extension of Gods glory and an exact representation of His image hence living, functioning and operating in the glory is your divine nature. Against this background, the reading of this book will therefore culminate in the following divine experiences in your life: Firstly, it will fuel your fire for a full blown invasion of Gods glory and awaken an insatiable appetite to propagate the glory of God to the furthest extremes of the world. Secondly, it will provoke a perennial hunger and unquenchable thirst for signs and wonders. Lastly, it will ignite your spiritual passion to experience a continuous progression into deeper realities of Gods unlimited glory. Therefore get ready to propagate the world with the glory of God!
