

## How Angels Can Lift You Up

The Bible tells us there are angels and the heavens recognize them as the resident citizens of that place. Angels are spiritual beings with the specific purpose of serving the Most High God. That is their priority above all things. Angels have the ability of revealing themselves in the form of human bodies and are able and are known to lift up. Yes, they will lift you up when you hurt your foot against a stone. This holds true as ever for: Neither shall any plague come near my dwelling. My God shall give his angels charge over me, to keep thee in all my ways. They shall bear me up in their hands, lest I dash my foot against a stone. Ignorance has placed many people in bondage. In our zealotry to be seen as Holy-Ghost carriers, we have thrown away the water and the baby. I believe this is on purpose. How sweet for the religious leaders to keep the truth from the people? Between man and God they represent creatures of higher intelligence and power. Which means they are superior to man and at the same time inferior to God. This is confirmed by our Lord Jesus Christ: For I say unto you, that in heaven their angels do always behold the face of my Father which is in heaven. This book is about how you can benefit from your knowledge of angels and how can they lift you up.
